Dear Fair Friends,

The N.C. State Fair is just around the corner, and I am sure many of you are already busy working on your entries for this year's competitions. It's a great time to get ready, and you will find everything you need to know about these competitions in the links on this page.

Annually, the N.C. State Fair features thousands of competitions, that allow us to showcase the talents and skills of residents across the state in home canning and food preservation, art, needlecraft and sewing, woodworking, gardening, music and dance, showing livestock, cooking and many more categories. Some competitions are designed for young people, while others are open to everyone.

During the fair, I enjoy going through the buildings and looking at the entries. We have some very talented people in the state, and that certainly shows in the quality of items submitted.

This year, we have added some new competitions that you may want to consider entering, including two on-the-spot competitions, a Kids Sugar Cube Building Contest for ages 4 through 12, and a Team Cake Decorating Contest, where a team of two will compete in a timed decorating contest. Other new contests include a Pre-Apprentice Pre-Engineering Mobile Robotics Contest and a Cavy Costume Contest. We are also adding a Choral Competition featuring middle and high school choirs, with the contest being held Thursday, Oct. 13, and a Coffee Competition, which is open to licensed N.C. coffee roasters.

Even some of our regular contests have been expanded. For example, the N.C. Egg Association's Egg Art Competition now includes a young artists category for competitors 18 years and younger. There is also a group home category under the exceptional/special needs categories in the Culinary and Handicrafts and Hobbies departments.

In the Clothing and Home Furnishings Department, our new Shawls for a Cause and Hats for a Cause categories will benefit local cancer treatment facilities, with entries being donated at the close of the fair. I think this will be a great contest.

I hope that when visitors come to the State Fair, they can see through the displays of competitive entries just how proud we are of the people of our great state.

The N.C. State Fair is one of the top family-friendly fall events in the state, with food and games, midway rides, fireworks, free grounds acts, music, agricultural displays and much more. There is truly something for everyone.

Take the time to find the right competitions for your talents, get started on your latest masterpiece, and we look forward to seeing you at the 2016 N.C. State Fair, October 13-23.

Sincerely,

Steven W. Troxler

North Carolina State Fair

Dear Exhibitors,

I know many of you are already busy thinking about what to enter in this year's N.C. State Fair.

Winning a ribbon at the State Fair is a dream for many, and for good reason. The competitions are one of our most popular features. To have your entry selected from among hundreds of others from across the state speaks highly of your talents and skills, regardless of the category. It is definitely something to be proud of.

As you look through the listings, you will see we have lots of familiar competition categories and we've even added some new ones that we are especially excited about. You can find more information about all the competitions on these Web pages. I encourage you to read the information closely to ensure you meet entry deadlines and requirements.

We are anticipating many new changes at the fairgrounds this year as we continue to make improvements. We are adding a permanent Sky Lift, which will give fairgoers a birds-eye view of the grounds and transport them from one side to the other. We are also reconstructing the Blacksmith Shop, opening up the Heritage Village area to better access Tobacco Pavilion activities and the exhibits of the N.C. Forest Service and N.C. Soil and Water Conservation.

Additionally, the old Hobbies and Handicrafts Building is being torn down and temporarily replaced with a tent this year as part of our long-term plans. All of the changes are designed to make the fair a better experience for our visitors. Please bear with these changes during this transitional period.

I want to thank you for being part of what I think is one of the best State Fairs in the country. I look forward to seeing all of your entries. I know they will be great!

Please do not hesitate to contact our office anytime with questions or for assistance. I wish you the best of luck and hope to see you at the fairgrounds October 13-23.

Sincerely,

Any party or parties, firm or corporation owning buildings or material upon the State Fairgrounds, without lease, or whose lease has expired, who shall fail to remove same upon order of the Manager within the time specified, shall forfeit all claim thereto, which expense of claim must be paid before material is released to the owner.

The management of the State Fair reserves the right to amend, add to and interpret the foregoing and following Rules and Regulations, and to arbitrarily settle and determine all questions and differences in regard thereto, or otherwise arising out of, connected with, or incident to the Fair. In the event of conflict between the General Rules and the special rules which appear as headnotes of the various divisions and departments of the Fair, the latter will take precedence.

Disregard of any rule, misrepresentation on the part of the exhibitor, concessionaire or patrons will forfeit all premiums won, privileges granted, fees paid, and rights to further participation in the Fair.

ENTRIES

Exhibitors are encouraged to make all entries early. The right is reserved to reject any entry or entries. Entries received after all space is taken must be rejected.

You will find the **CLOSING DATES FOR ENTRIES** set out in the Rules and Regulations and the general headings of each of the various departments. These dates vary with the **SPECIAL REQUIREMENTS OF THE SPECIFIC DEPARTMENT**. Check these Closing Dates carefully.

Request the Entry Department to supply you with an adequate number of entry forms. Competition is **OPEN TO THE WORLD** in the Rabbit & Cavy Shows, Horse Show, and some livestock departments.

In most other divisions and departments competition is limited to residents of North Carolina.

All entries (with exceptions noted in the Livestock Division for group classes) must be made in the name of the owner, breeder, manufacturer, grower, producer, or one whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries, and such firm must have been organized as a bona fide firm for the purpose of producing, or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.

Official printed forms or copies of forms **MUST BE USED** in making applications for entry.

Make sure to use the appropriate entry forms for each department. Be sure to fill out the application form completely, accurately and legibly. Give your rural route number, post office box number, or apartment number, city street address, zip code +4, telephone number, and e-mail address if available. Exhibitors will be allowed to register their exhibits without disclosing a SSN. **Exhibitors are fully aware that choosing NOT to disclose their FULL SSN or TAX ID at the time of registration (paper entry forms or online), EVEN IF THE EXHIBITOR HAS SUBMITTED AN ENTRY IN THE PAST, forfeits any and all premium monies to which they were entitled.**

REMEMBER: No article or animals will be entitled to exhibition space until proper entry has been made. No entry will be accepted after the closing date listed for each department. Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent, or Director in charge, **AND THEN ONLY IN THE OFFICE OF THE "ENTRY SUPERINTENDENT."** If the records are altered and do not conform with the information on file in the Entry Department, payment of premiums will be withheld. No person except personnel of the Entry Department will be allowed to see the entries, or have access to the entry books, until after the awards are made. The same article or animal cannot be entered in more than one lot number (except as otherwise stated in the Special Department Rules and Regulations). Collections and displays must be made up of specimens, other than those entered in single (individual) classes unless otherwise noted.

Entry fees are not required in most departments - Poultry, covies, rabbits and certain livestock exhibitors must include payment of stall, pen, and coop fees with their applications for entry - Dept. H, Arts and Photography has entry fees in the professional and amateur categories, as well as Dept. A, Commercial Wine entries, Dept. AB Beer, Dept. B, Cheese Contest entries, and Dept. H Horticulture Pumpkin/Watermelon Weigh-off entries.

Additional application forms are available upon request. Call (919) 839-4515.

Livestock entries must be submitted online at www.ncstatefair.org, or mailed to the address below. No faxes will be accepted.

Entry forms for entries other than livestock can be completed online at (www.ncstatefair.org), faxed to (919-733-5079) or mailed to:

EXHIBITS AND EXHIBITORS

The dates on which your exhibits must be in place at State Fair **VARY FROM ONE DEPARTMENT TO ANOTHER.** These dates are set out in the Department Headings and Rules and Regulations. Check these dates carefully so you can get your exhibits **IN PLACE AT THE PROPER TIME TO BE JUDGED.**

UNCLAIMED EXHIBITS FROM COMPETITIVE DEPARTMENTS, will be considered abandoned if not called for within one week after the official closing of the Fair, and may be disposed of as the Manager of the Fair sees fit. **SEE SPECIAL RULES** for the Culinary and Horticulture Departments.

Remember! All exhibits must be officially entered in the Fair on official printed forms provided for that purpose, or online, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

In all but livestock departments, entries and exhibits will remain in place through the entire fair. Release times are scheduled for the day following the fair due to the lack of parking available nearby for those to pick up entries or exhibits, and in an effort to keep vehicles off the grounds during crowded conditions. The regulation will also assure those attending the fair during the evening of the final day of seeing the same exhibits and entries as those attending earlier.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for livestock and poultry may be conspicuously displayed upon the stall, pen or coop). **ENTRY TAGS WILL NOT BE MAILED** but will be available, at the Entry Department, Administration Building. Call the entry office for pick-up time when tags are available.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director who will allocate space and either personally arrange the exhibit in a suitable and attractive display or direct such action by the exhibitor. The State Fair assumes no responsibility for the incorrect tagging of exhibits. All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition.

However, entries may be shipped or mailed to:

N.C. STATE FAIR, ENTRY DEPARTMENT
1025 BLUE RIDGE ROAD
RALEIGH, N.C. 27607

Entries will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as entries personally delivered. All exhibits shipped or mailed **MUST BE PREPAID.** No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair.

The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

All reasonable care will be given to all exhibits; however, exhibits are entered at the exhibitor's risk. The Fair and staff are not responsible for damage or loss at any time. If the exhibitor desires insurance coverage, this coverage should be secured from a personal insurance agent prior to entry and the policy written to cover the period of exhibition and transportation.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent. All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before the Fair free of charge. Thereafter, exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices. **No drenching is allowed unless under the direct supervision of a licensed veterinarian in the state of North Carolina with a valid medical reason.**

When exhibit tags are issued by the Entry Department for each article entered, a stub will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Superintendent of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in competitions which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager of the State Fair immediately after such action is taken. **UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER.**

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the manager. The distribution of advertising matter which conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract. No exhibit space assigned may be shared or sublet without permission of the Fair manager.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be in writing and filed with the State Fair Manager within twenty four hours of the day following the award, and must be accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained. The State Fair Manager will appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individual worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, **NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.**

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and exhibitor guilty of such violation will be excluded from further participation in the Fair and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superintendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be moved to other classes by the Department Superintendent before the entry deadline, **BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE SUPERINTENDENT OF THE ENTRY DEPARTMENT.** Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premium checks will be mailed to all exhibitors no later than 60 days after the fair. Errors in premium statements will be corrected until January 31, 2017 after which time the books of the 2016 Fair are closed.

Photographs of exhibits and winners will be taken by official photographers of the NC State Fair. Exhibitors hereby grant the NC State Fair permission to utilize photographs, images, or likenesses in whole or in part for use in official NC State Fair publications and promotions.

The following colors of ribbons will be used to designate awards:

E05—GARDENS

This division is closed to further entrants for 2016. People that wish to participate in the Gardens competition for 2017 may apply by sending their name, email address, and phone number to the Flower and Garden Show Superintendent.

RULES FOR GARDENS

All exhibitors must submit an entry form to the NC State Fair Entry Department by September 26, 2016. Gardens may be started anytime after the third weekend in April and must be completed by noon on October 12th. Gardens are to be started no later than Labor Day unless an extension has been granted in writing by the Flower and Garden Show Superintendent.

The gardens are to be educational, artistic and functional. No artificial plant material is allowed. All exhibitors must install at least two spotlights in each garden for night lighting.

A 24" x 18" plot plan board will be provided. Information to include on the board: garden theme, garden concept statement, name of exhibitor, plot plan, list of plants, and exhibitor's entry tag. Correct common names of plants must be provided. Botanical names should be included. The Garden Concept Statement (100 words or more) should explain what the gardener is trying to accomplish. The exhibitor's name must be masked from the judges' view prior to judging. Masking will be removed after judging is completed.

An appropriate sign may be used to acknowledge suppliers and donors. The sign is to be placed in the garden after judging and in a manner not distracting to the garden. NO signs will be allowed on the fence(s). Any sign or material deemed distracting and/or inappropriate by the Gardens Chairman and/or Flower and Garden Show Superintendent will be removed. An approved sign may also be placed in the garden after judging indicating that "Some plants will be for sale after 10:00 a.m. on the Monday following the State Fair". **Wrought iron fencing will be in place around the gardens this year, so gardeners must refrain from hanging items on the fencing that obstruct the view through the fencing.**

Exhibitors must clean, water and replace dead materials in the gardens daily. Pumps, fountains, and lights are to be maintained in good working order.

No exhibitor may enter the grounds for garden clean-out before 10:00 a.m. on October 24. Removal of garden exhibit materials must be completed by 5:00 p.m. on the Sunday following the close of the state fair unless otherwise permitted by the Flower & Garden Show Superintendent. All bark and soil amendment materials are to be removed from contact with the fence and the remaining ground leveled.

COMPETITION: Limited to Residents of North Carolina

All products exhibited in this department must have been grown in North Carolina by the person or firm in whose name the exhibit is entered.

SPECIAL NOTE TO APPLE GROWERS!!

Because of the extended duration of the N.C. State Fair it is assumed that most, if not all, apples will be out of condition by the end of the Fair. The Superintendent in charge of the fruit exhibit shall determine the method of distribution and any money received from the salvage of the apple exhibit will be divided according to the volume sold from each county exhibit and that amount will be sent to the respective county 4-H fund for use in 4-H work involving apples.

SPECIAL NOTE TO SWEET POTATO EXHIBITORS!!

Sweet potato exhibits will be sold at current market price by the N.C. State Fair, and monies will be sent to exhibitors according to the estimated poundage in their entry. Exhibitors wishing to pick up their sweet potato exhibits **MUST** inform the Superintendent at the time of entry, and are responsible for picking up their entries on October 24 by 5:00 PM

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THE [Information and General Rules for Exhibitors and Patrons](#) BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some - but not all - are repeated herewith for emphasis, and others apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to **REJECT ENTRIES not properly entered.** **All entries will be judged, but not all entries will be displayed** if space becomes limited. Entry forms can be found at www.ncstatefair.org under competitions or by contacting the NC State Fair Entry Department at (919)839-4515.

Entry Tags can be picked up at the exhibition area. **An Entry Tag must be attached to each exhibit before it is presented in the Department for display.** Variety names are to be written on the backs of the tags.

If possible, it is urged that all horticulture products be brought in and prepared for exhibit by the exhibitor. Where it is not possible, shipments with copies of previously submitted entry forms sent in by the entry closing date, should be mailed in time to reach the Fairgrounds no later than Tuesday, October 11, and should be addressed to:

Superintendent, Horticulture Department, N.C. State Fair
1025 Blue Ridge Road, Raleigh, NC 27607.

Where it is not possible to personally bring the products to the Fair and arrange them, Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack, plate, box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, and the contents of the package.

The State Fair will furnish PLATES, TRAYS AND BOXES for exhibits, but no other containers. The number of specimens for each PLATE display is specified in the premium list. Standard size tray, 11 1/2 x 18 inches inside measurements and 6 inches deep will be used. Standard size box, 11 1/2 x 18 inches inside measurements and 6 inches deep will be used for commercial sweet potato categories. All other commercial categories will use the 3 inch deep tray. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required. At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit. To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized. This list is not exclusive. The Superintendent may add or delete varieties in order to maintain the overall quality of products on display.

Variety	Diameter
Arkansas.....	3 to 3 1/2 inches
Braeburn	2 3/4 to 3 inches
Fuji	2 3/4 to 3 1/4 inches
Gala	2 3/4 to 3 1/4 inches
Golden Delicious	2 3/4 to 3 1/4 inches
Granny Smith.....	3 1/8 to 3 3/8 inches
Jonagold	2 3/4 to 3 1/2 inches
Jonathan	2 3/4 to 3 inches
Red Delicious and named bud sports	2 3/4 to 3 1/4 inches
Rome and named bud sports	3 to 3 3/4 inches
York and named bud sports	3 1/8 to 3 3/8 inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material. Any exhibit that rots, is unsightly or becomes unsightly will be removed from display (after judging) at the discretion of the superintendent.

QUALITY - NOT QUANTITY

In selecting horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will be awarded MAINLY ON THE BASIS OF QUALITY. Do not knock or shake fruit from the tree, but pick each specimen by hand. Products should be exhibited as nearly as possible in their natural state, and no preference will be given for highly polished fruits or vegetables.

Entries of "Commercial" containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and placed in containers provided by the N.C. State Fair.

Entries of "Collections" and under "Any Other Variety" must be correctly named on the entry tag by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalog, except in the case of seedlings never before exhibited.

Entries of heirloom apples and heirloom tomatoes are limited to named varieties known to have been grown for at least 100 years. Name of variety must be on the back of the entry tag. Grower's name may not be displayed on exhibit until after the judging.

AWARDS AND JUDGING

No award will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class. AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

FOODS COOKED WITH HONEY

1. All entries in this class must contain honey as one of the principal sweetening ingredients.
2. The purpose of this competition is to demonstrate skill in the use of honey in cooking. Therefore, the proportion of honey in the recipe will be a primary consideration in scoring by the judges. There are no other ingredient restrictions, and commercial mixes may be used. Factors such as whether the entry is representative of the entered class and freshness of the product will be considered in the judging. It will be the responsibility of the exhibitor to see that entries are correctly classified and tagged. The score cards used in Department "W" (Culinary) Class 2 will be used as guides in judging foods cooked with honey.
3. Place cakes on pieces of very heavy cardboard which has been covered with foil or wax paper. Cardboard should extend one inch beyond the cake on all sides. Punch a hole in the cardboard base so an entry tag can be tied through it. An entry tag will be provided when the entry is delivered. Place the unwrapped entry in a large clear food grade plastic bag (plastic wrap is not acceptable) with the entry tag extending outside the bag. You must supply your own plastic bag. None will be available at the Fair entry office. Entries may be transferred to clear plastic containers by the judges for display. Any liquid entries should be in disposable containers.
4. Entries must be prepared from ingredients compatible with commonly accepted recipes for the class in which are entered. Each entry must be accompanied by a recipe on a 3x5 or suitable card using only one side of the card (may be placed in a zip lock bag). Exhibitors are required to enter at least 1/2 of a cake and bread, 7 cookies or enough to cover an 8" plate for judging. Junior and Senior entries cannot be from the same cake. Commercial mixes are acceptable but not ranked as highly as items made from scratch. All entries will be discarded at the end of the Fair unless other arrangements have been made with the superintendent. Assistance may be provided to Junior participants but the entry must be primarily the effort of the entrant.
5. **Please take into consideration that entries made and brought to the Fair too early may mold before judging and therefore will not be judged.**

Give your rural route number, post office box number or city street address, zip code, and telephone number. Social Security numbers are REQUIRED for all exhibitors in order for premium monies to be awarded.

In filling out the form, in the first column write the section number; in the second column write the Department letter and class number; in the third column write in the breed description exactly as it appears in the catalog. An example - Section 101, 00004 for the open show and 00004 for the Youth show, Barred Plymouth Rock pullet. Next enter age and sex (Cock, Hen, Cockerel or Pullet). In the column headed: "Leg Band No. " BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN BROUGHT TO THE FAIR. Important: LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM. Space cannot be reserved until receipt of the coop fee, and, remember: The right is reserved to reject entries after all available space is taken. A coop fee of \$2.00 for each bird exhibited must accompany your application form. **Please note: no changes will be made to the entry listing after the September 15, 2016 deadline.**

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries. Owners and breeders must maintain a breeding establishment sufficient to raise the birds so exhibited.

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle fowl on display except the owners and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The Fair staff works diligently to prevent diseased animals from entering the fairground, though owners should consider that animals may be exposed to infectious agents while at the Fair. It is a Best Management Practice to keep animals returning from the Fair separate from your animals at home for 2-3 weeks. By isolating exhibited animals for this time you have the opportunity to see if they were exposed to disease and infected while at the Fair.

The American Standard of Perfection will be the guide of the judges in awarding premium. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Division Director of the Division III within three days following the award, and then only when accompanied by a protest fee of \$5.00. Basis for protest: (1) Placing a disqualified bird; (2) Fraud; and (3) Clerical error. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show. After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to N.C. STATE FAIR Entry Department, 1025 Blue Ridge Road, Raleigh, NC 27607

POULTRY

All poultry exhibited at the North Carolina State Fair shall have been in the possession of the exhibitor for sixty days or more prior to the date of the Fair. By registering entries in this department, exhibitors are acknowledging their compliance with the "Poultry Exhibitor Certificate" found on the paper Poultry Entry Form, and on our website at www.ncstatefair.org under the Poultry Department listing.

All chickens and turkeys for exhibition at the Fair will originate from U.S. Pullorum-Typhoid Clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days of admission to the Fair. The test requirements may be satisfied by a negative test conducted by an official state tester at the time the birds are brought to the Fair. The fee for pullorum-typhoid testing at the fairgrounds will be ten cents per bird, with a minimum fee of \$1.00 per exhibitor.

No poultry shall have received a live virus vaccine within 45 days prior to entering the Fair. It is recommended that all birds be vaccinated for laryngotracheitis with a modified live virus vaccine at least 45 days and not more than one year before the show.

All chickens, turkeys and guineas must be identified with numbered tamper-proof bands. Bands placed on birds tested by state testers will satisfy this requirement. Poultry entered at the Fair are subject to examination (including blood test and swabs by a representative of the North Carolina Department of Agriculture.) Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.

Coops used in transporting live birds to the fair shall **not** be allowed inside the exhibit building. Out-of-State birds will not be admitted this year.

Their decisions will be final, except in the case of official protest as explained in the General Rules and Regulations of the State Fair. This show is a sanctioned American Rabbit Breeders Association Show hosted by the N.C. State Fair. Membership in or registration of animals with the American Rabbit Breeders Association is not required to enter or compete.

After the judging, the rabbit exhibitor may place a business card on the coop of "For Sale" rabbits. Prices may not be listed and once sold the business card must be removed by the exhibitor. An exhibitor may leave cards at the Information Booth with the attendant for people asking about animals for sale; however, exhibitors may not solicit business. **Once accepted for show, all rabbits are to remain on display until after the close of the fair.** No rabbit can be removed from the Rabbit Show Room until the release of exhibits on the Monday following the State Fair. If a rabbit is removed prior to that date, all winnings for the exhibitor are forfeited for that rabbit and for all other rabbits entered by the exhibitor. Stock brought to the showroom by the bona fide owner will be checked in by a qualified veterinarian and attendant. Any animal arriving sick, or in poor flesh or fur condition, will not be accepted and will be returned to the exhibitor at check in time and for the purpose of judging will be considered "Not Shown" and the entry fee forfeited. No rabbit under eight weeks of age will be judged. Any stock which becomes ill during the course of the exhibition will be removed and placed under the care of a veterinarian.

No shipments of rabbits will be accepted. Rabbits are to be delivered by the exhibitor. If the rabbit does not pass examination, then the exhibitor must take the rabbit home. The Fair management will not be responsible for any loss or damage.

No person will be allowed to handle exhibits without permission of the department directors. Any exhibitor interfering with, attempting to influence, criticizing, or otherwise causing delay and confusion during the judging, will be barred from further competition and will forfeit all awards and premiums for the show. The Rabbit Barn will be closed to the public until judging is completed and only officials of the show and their designated helpers will be permitted therein.

A sudden change in diet is stressful for rabbits. If your rabbit(s) are not accustomed to eating this type of feed, it is HIGHLY RECOMMENDED that you purchase a small amount of feed and slowly adjust your rabbit(s) to the new diet. At least 2 weeks prior to the fair, the rabbit(s) should be consuming 100% of the 16% protein feed. **There will be a feed choice for your rabbit. Please indicate on your entry form which feed your rabbits should be fed -(PU=Purina); (BL=Blue Seal); (RO =Rowe)or (provide your own feed = OF).** Please clearly mark your bag or bucket with your name and feed type.

. Please clearly mark your bag or bucket with your name and feed type.

An attendant is available at all times to feed and care for the rabbits.

- A. The health regulations of the Veterinary Division of the N.C. Department of Agriculture will be enforced. They are:
 1. All rabbits will be presented for examination before being placed in the show. The Show Veterinarian and/or the Show Superintendent will not accept rabbits infected with or showing any clinical symptoms of infectious or communicable disease. Rabbits developing symptoms of infectious or communicable diseases during the show will be placed in isolation and shall not be removed for purpose of exhibiting.
 2. Please use carriers or boxes to transport rabbits. Carriers or boxes used in transporting rabbits to the Fair will not be allowed to remain inside the exhibit building during the Fair. They may be brought into the building in order to place the rabbits on exhibition, and again to pick up the rabbits on Monday morning, October 24, 2016.
- B. Any animal which does not display a good condition of health and vigor or is deemed unsuitable for public exhibition may be refused at check-in and for the purpose of judging will be considered “Not Shown” and entry fee forfeited.

No rabbit under 8 weeks of age will be allowed to be judged.

The Fair staff works diligently to protect and prevent diseased animals from entering the fairgrounds, though owners should consider that animals may be exposed to infectious agents while at the Fair. It is a best management practice to keep animals returning from the Fair separate from your animals at home for 2-3 weeks. By isolating exhibited animals for this time you have the opportunity to see if they were exposed to disease and infected while at the Fair.

CLASS 101

As indicated by the premium list, juniors (under six months), intermediates(6-8 months) and seniors (over 8 months) will be judged by sex, in each breed of the individual classes, except in the small breeds in which the American Rabbit Breeders Association does not recognize an intermediate class. In these smaller breeds, the judging will be of juniors (under six months) and seniors (6 months and older). In addition, there will be competition for pre-juniors (under 3 months of age) in the following breeds: Beveren, Californian, Champagne, Checkered Giant, American Chinchilla, Giant Chinchilla, Cinnamon, Creme d’Argent, Flemish Giant, Hotot, New Zealand, Palomino, Satin, and Silver Fox.

Awards will be made under each premium number listed as follows (ribbons also will be awarded through sixth place in each class):

1	\$6.00

Entries should be made BY LOT NUMBERS of the following breed and varieties recognized by the American Rabbit Breeders Association. For instance, if you desire to enter a senior doe American White rabbit in the Open Show, you would list "101" in the column titled "Class Number" and "R00011" in the column headed "Department Letters and Lot Numbers" on the entry form. If you are a Youth exhibitor entering your rabbits in the Youth Show, you would write "101" in the column titled "Class Number" and write RY1 in the column titled "Department Letters instead of R01. **Only ARBA approved breeds and varieties will be accepted. Those pending approval are not eligible for this show. If you would like to show an animal for exhibition only that is not an approved variety or breed, please contact the show superintendent. When registering online with Quick Entries, enter lot numbers without the letter.**

RABBIT HOPPING CONTEST
Sunday, October 16th at 1:00 p.m.
CLASS 106 - Lot #R06000

Rabbit Hopping General Rules:

1. **Exhibitors must pre-register by September 15th.** Animals entered may be any breed of domestic rabbit. No pedigree is required.
2. Animals must be at least 4 months of age to compete
3. Rabbits must be healthy and free of any disease or parasite. Health checks will be required upon entering the showroom. Any animals found to be in poor health must be removed from the showroom immediately. Rabbits must be placed in the Rabbit Barn on October 12th by 5:00 p.m.
4. Pregnant or nursing does are not permitted to compete. In addition, any doe who has had a litter in the past 8 weeks is barred from competition.
5. Dogs, with the exception of service animals, or service animals in training, are not permitted in the show room.
6. Animal handlers will be responsible for cleaning up any debris their animal leaves on the competition mats during the competition.
7. Mating of rabbits is not permitted at the show.
8. Careless handling of rabbits will result in a warning. Serious negligent handling will result in a disqualification. No refunds will be given for disqualifications.
9. Rabbits shall proceed through the course and over the jumps voluntarily. Animal handlers are prohibited from forcing or carrying animals through the course, but may lift them over jumps, if necessary. Assistance and encouragement may not involve yelling loudly or any other method that would subject a rabbit to excessive stress. Touching your rabbit with your feet is not permitted.
10. Judges are entitled to disqualify any rabbit who must be repeatedly lifted over jumps, or entirely refuses to move, as being clearly unwilling to jump.
11. Animal handlers may choose to scratch any round in which their rabbits decline to jump, which constitutes voluntary disqualification. No refund will be given for scratches.
12. Animal handlers must always embody good sportsmanship. Violations will result in warnings and disqualification. It is up to the judge's discretion as to what constitutes poor sportsmanship. The judge's decision is final.
13. Only H style harnesses will be allowed!
14. Leashes must be between 4 and 6 feet long depending on the size of the competitor and be made of the same type of material as the harness. Elastic or retractable leashes are not allowed for safety reasons.
15. Leashes and harnesses not meeting safety standards for rabbits will not be allowed to be used on the rabbit.
16. Rabbits must wear harnesses and leashes at all times when on the hopping course.
17. Animals will be released on October 24 between 8:00 a.m. and 5:00 p.m..

Competition Rules

1. Only 1 rabbit is permitted on the course at any time.
2. Each rabbit may only have one animal handler. The animal handler must be the trainer and they do not need to own the animal.
3. Animal handlers are not permitted to step over jumps. They must go around the jump. Repeated violations will result in disqualification.

4. Beginning and ending jumps must always be present, and are not taken into account on scoring (no faults will be given for displacing rails on these jumps).
5. The jumps must be hopped in the correct order, otherwise a “wrong way” judgment shall be declared, and the rabbit will be disqualified. In order for a “wrong way” to be declared, a rabbit must have jumped an obstacle and all four feet must touch the ground. The start obstacle prior to the beginning of the course does not count in the wrong way judgment.
6. The final obstacle must be cleared in the right direction for the clock to stop. Once the rabbit has touched all four feet on the ground after clearing the final obstacle the clock is stopped, and the course is considered complete.
7. No treats (for you or your rabbit) will be allowed on the hopping course.

Faults will constitute any of the following:

1. Upsetting an obstacle, or any part of an obstacle. One fault shall be issued for the upset, regardless of how many rails were upset.
2. Lopsided jump: to clear an obstacle the rabbit must jump with its body between the obstacle supports. A lopsided jump fault will be called if the rabbit jumps outside of the obstacle supports.
3. Lifting over undisturbed obstacle. A rabbit may be lifted over or around an obstacle, but one fault per obstacle will be issued.
4. False starts: a false start is issued when the rabbit starts the course before the judge has indicated to the animal handler that they are ready to go. One fault will be issued, and repeated false starts will result in disqualification.
5. Out of bounds: if a rabbit goes more than 5 foot off the course it shall be considered an out of bounds fault. One fault shall be given for each out of bounds instance in a course.

Hopping

All rabbits entered in hopping will start on the Easy Course, and qualifying rabbits will proceed to Advanced Course. All courses will be straight lined courses.

Easy Course: 8 obstacles, not including the start and finish jump. Minimum height 6”, maximum height 10”.

Advanced Course: 8 obstacles, not to include start and finish jump. Minimum height 10”, maximum height 14”. There will be double and possibly triple jumps on the advanced course.

Placings for Hopping

Placings for hopping shall be as follows; each rabbit will be placed in a class based on the number of faults received. In the event of a tie, the rabbit with the faster time is placed higher. Each fault will have a 2 second penalty.

Each exhibitor will make 3 runs at the course. All 3 runs are recorded on the score sheet. Advancement to the next class will only be issued to rabbits with at least 1 clear (no faults) runs, and the third run cannot have more than 4 faults. The winner shall be indicated by the rabbit with the least number of faults in each class. In the event of all rabbits having at least one fault the 2 second fault time will be added and the fastest time based on the fault times will be the winner. In the event of a tie, the rabbit with the least amount of time shall be declared the winner, and in a fault and time tie, there shall be a run-off to determine the winner. There will be one class in the Easy course and one class in the Advanced course. Ribbons will be award for 1st to 4th place in each class. The decision of the judges is final.

(Pre-registration is required)

All cavies must be dropped off at the barn on Saturday, October 22 from 6 a.m. to 8:00 a.m.. No carriers can be left in the barn. No cavy can leave the barn until Sunday, October 23 at 8:00 p.m. Premiums and winnings will be forfeited if cavies are released before that time.

If they desire, Youth Exhibitors under age 19, may designate that their entries be judged in the Open Show instead of the Youth Show. The rules and regulations, entry fees and awards (excluding Youth Best In Show) are the same for both classes. It is against American Rabbit Breeders Association Rules to enter cavies in any Youth Show and also be in Open Show competition with the same cavies in the same show. However, youth can make entries in both Open and Youth with different cavies. IF YOU WANT YOUR ENTRY JUDGED IN THE OPEN SHOW PLEASE WRITE DEPARTMENT LETTER "C01" ON YOUR ENTRY FORM IN THE SPACE MARKED "DEPARTMENT LETTERS AND LOT NUMBERS". ALSO PRINT THE WORD "OPEN" ON THE ENTRY FORM. YOUTH MUST ENTER THEIR AGE ON THEIR ENTRY. OTHERWISE, IT WILL BE JUDGED IN THE OPEN SHOW COMPETITION. Any animal arriving sick, or in poor flesh or fur condition, will not be accepted and will be returned to the exhibitor at check in time and for the purpose of judging will be considered "Not Shown" and the entry fee forfeited. No rabbit under eight weeks of age will be judged. Any stock which becomes ill during the course of the exhibition will be removed and placed under the care of a veterinarian.

No shipments of cavies will be accepted. Cavies are to be delivered by the exhibitor. If the cavy does not pass examination, then the exhibitor can return the cavy home. The Fair management will not be responsible for any loss or damage.

No person will be allowed to handle exhibits without permission of the department directors. Any exhibitor interfering with, attempting to influence, criticizing, or otherwise causing delay and confusion during the judging, will be barred from further competition and will forfeit all awards and premiums for the show. The Rabbit Barn will remain open for cavy judging.

Each animal must have a permanent ear tag in the left ear, which must be listed on the entry form. No adhesive tape, pen, or pencil marks will be accepted. There is a \$2.00 fee for each cavy tagged at the show.

The right is reserved to substitute another judge in the case the judge listed is unable to officiate. Each animal must be entered in the name of the bona fide owner, otherwise exhibitor forfeits all entry fees and premiums.

NO SUBSTITUTIONS OF ANIMALS ALLOWED EXCEPT IN SAME BREED, CLASS, AND SEX, WITH SUBSTITUTION DONE AT THE TIME OF CHECK-IN, NO EXCEPTIONS.

HUSBANDRY and HEALTH REGULATIONS

The coops are equipped with an open water container. **IF YOUR CAVIES ARE NOT ACCUSTOMED TO OPEN CONTAINERS—PLEASE BRING A CLEAN WATER BOTTLE FOR EACH CAVY.** Cavy exhibitors must provide their own feed for the cavies. Feed cups will be on each cage. Please provide your own cavy feed, mark your feed with your name and phone number.

An attendant is available at all times to feed and care for the cavies.

- A. The health regulations of the Veterinary Division of the N.C. Department of Agriculture will be enforced. They are:
 - 1. All rabbits/cavies will be presented for examination before being placed in the show. The Show Veterinarian and/or the Show Superintendent will not accept cavies infected with or showing any clinical symptoms of infectious or communicable disease. Cavies developing symptoms of infectious or communicable diseases during the show will be placed in isolation and shall not be removed for purpose of exhibiting.
 - 2. Carriers or boxes used in transporting cavies to the Fair will not be allowed to remain inside the exhibit building during the Fair. They may be brought into the building in order to place the cavies on exhibition, and again to pick up the cavies on Sunday night, October 23, 2016 at 8:00 p.m...
- B. Any animal which does not display a good condition of health and vigor or is deemed unsuitable for public exhibition may be refused at check-in and for the purpose of judging will be considered "Not Shown" and entry fee forfeited.
No cavy under 8 weeks of age will be allowed to be judged.

The Fair staff works diligently to protect and prevent diseased animals from entering the fairgrounds, though owners should consider that animals may be exposed to infectious agents while at the Fair. It is a best management practice to keep animals returning from the Fair separate from your animals at home for 2-3 weeks. By isolating exhibited animals for this time you have the opportunity to see if they were exposed to disease and infected while at the Fair.

Division IV

NORTH CAROLINA COOPERATIVE EXTENSION SERVICE

The North Carolina Cooperative Extension Service helps people improve the quality of their lives by providing research-based information and informal educational opportunities focused on issues and needs.

The Extension Service is a unique educational system with support from county, state, and federal governments, and close ties to the state's two land-grant universities: North Carolina State University and North Carolina A&T State University. The important elements contributing to the organization's success include its unique structure, its use of research-based information, and its use of the strong guidance received from those it serves in setting priorities. The educational philosophy of the Extension Service is to help individuals, families, and communities learn to identify and solve their own problems.

RULES AND REGULATIONS

1. No more than 8 entries from any individual will be registered in this department and only 1 item per individual per lot number.
2. **For ages 9 and up, please indicate age of exhibitor (as of January 1, 2016) on entry form or online entry form to compete and be eligible for monetary awards. Youth 4-8 years of age will not compete, but will receive PARTICIPATION RIBBONS. For ages 9 and up, exhibitors can choose to enter in an older age bracket, but cannot enter in a younger age bracket.**
3. **The same product or recipe may not be entered by more than one member per family or household or entered into more than one lot number per household. Violators (all individuals) will be disqualified.**
4. All entries must be made from scratch (except decorated cakes (W-3)). No flour substitutes accepted (graham crackers, vanilla wafers, etc.). No mixes (cake, cookie, pudding, jello, frosting, icing or other mixes) will be accepted as ingredients in the product.
5. Place the entry on a heavy duty paper or plastic plate in a clear food grade zip lock bag. **(Plastic wrap is not acceptable.)** The size of the plate should fit the size of the product. (Cookies and candies may fit a smaller plate than a cake). All entries will be placed on a standard fair plate following judging for display purposes. Decorated cakes (W-3 department) have specific measurements. See page 188 for rules and regulations.
6. An accurate recipe must be submitted with each entry. If the recipe is not included, the entry will be disqualified. Recipes become the property of the Fair. Put the recipe in a small zip lock bag. Do not tape recipe to bottom of plate, but bring it with you when you bring your entry to the Fair. When you bring your entry to the fair, you will receive your exhibitor number. Write this number on your recipe and attach it to the entry tag. The entry tag will then be attached to your entry.
7. True pound cake contains only butter/margarine, sugar, eggs, and flour. No baking powder, baking soda, or milk is allowed. Liquid flavorings, including vanilla and spices are allowed.
8. Entries needing refrigeration or those with frosting containing cream cheese, cream and/or raw egg products will be disqualified. No product that contains a filling injected after the baking process, such as a cream-filled éclair, will be accepted.
9. Enter 1/2 cake or 1/2 loaf of bread unless otherwise noted. (See Artisan Bread and specific requirements by each lot number listed).

10. Note: the point system aids the judges in selecting winners, but it is not the sole factor in the awarding of ribbons and placements. Best of show ribbons may be awarded to the best entry in each of the four adult categories (breads, cakes, cookies, and candies), in each of the five Exceptional/Special Needs classes, and in each of the four Junior classes. Honorable Mention ribbons may be awarded in any and all categories as deemed appropriate by the judges.
11. All entries (except W3: Decorated Cakes) must be made and submitted by non-professionals only. A non-professional is defined as a person who does not teach cooking classes, has not taught cooking classes, and/or does not produce any candies, cookies, breads, cakes, or other baked goods included in this department for sale.
12. **PLEASE NOTE: Once your entry has been accepted, judged, and displayed, the display cabinets will be locked and will not be opened for any reason during hours of operation.** Any corrections or repairs to the entries will be done before or after Fair hours. This is for the protection of your entries. All entries in this department will be discarded after the Fair has closed, except for department W-3. This is for the safety of the public. **Please take into consideration that entries made and brought to the Fair too early may mold before judging and therefore will not be judged.**

Exception: Framed needlework showing exhibitor's full name will be accepted, but the name will be covered on the glass by state fair staff before judging. The Folk Festival was established in 1948 to preserve and promote the music and dance of North Carolina's early years and to provide wholesome entertainment for visitors to the Fair.

The Festival presents the traditional music and dance of our state as it is performed by amateurs who have grown up in the rich heritage of our folk arts. Commercial, professional or secretarian performances are not appropriate.

To be eligible for prizes, performers must have proper entry form post-marked by the closing date listed above. Properly entered contestants will have priority on the limited program time.

The Fair will provide an experienced band to accompany performers in their vocal and dance entries as needed. CD's may be used in categories not requiring the use of the Folk Festival Band. When using CD's, you are responsible for having them pre-set to correct speed and starting place for your performance before you are to go on stage for each show. Set-up time for performing bands is very limited and is to be approved in advance by the Superintendent.

When multiple categories are entered by a group or an individual, the "Max" time listed for each category may be reduced and will be determined by the number of categories entered and at the discretion of the Superintendent with a Max time of 15 minutes. Exceeding your time limit will result in a reduction of points in score by the judges. Inappropriate music and dress will result in disqualification by the executive staff after the first show. **On weekends, the number of categories exhibitors may enter may be limited due to the number of acts that can be accommodated.**

Contestants should register for one day only. Show times are at **10:00 AM and 1:00 PM on weekdays**, and at **9:00 a.m. and 1:00 p.m. on Saturday and Sunday, except for Tuesday, October 18th - the Folk Festival will begin at 4:00 p.m.** All entries are expected for both shows on your entry date.

Judging takes place at all shows and the decision of the judges is final. Winners will be notified and premiums mailed after the Fair is over. Six factors are considered in scoring: sportsmanship, showmanship, appearance, skill, enthusiasm, time.

Winners list will be posted on the internet within 23 days after the fair has ended. Please do not call or come by fairgrounds for information. Ribbons and plaques will begin going out Wednesday after the fair.

People in the electrical industry feel that the electrical industry's future depends on apprenticeship, and the electrical apprentice contest dramatizes a jobs training program through which the State has assisted the voluntary efforts of industry to meet North Carolina's needs for skilled worker training. During the decades since 1939 when the apprenticeship law was enacted by the General Assembly, the apprenticeship training system has offered citizens of the State an opportunity to acquire skill and proficiency in many of the skilled trades. WOODCARVING AND WORKING

DESIGN—For an entry to score well, its design must show why wood is the best material to make it from. Strength, direction of grain, accommodating expansion and contraction, color, weathering, resistance all have strong influence over good design. For example, use of fine hardwood for furniture will score higher than using construction grade lumber or plywood.

FIT—Joinery such as mortise and tenon construction will score higher than mechanical fasteners such as dowels, screws, or staples. Out-of-square items will score lower than entries that show control over alignment. Wood filler to make up for inaccuracy or misalignment will score lower than tight fitting connections.

FINISH—Consider all surfaces for finish, both inside and out, top and bottom. Since wood expands and contracts seasonally across the grain, leaving the underside of a board unsealed just because you can't see it indicates poor design. Sand until no more sanding marks show. Gloss finishes should have no bubbles or pits; matte finishes should be uniform. Allow time for your finishes to cure before submitting them. Paint is OK, but simply decorating a wood object with paint does not constitute woodworking.

EXCLUSIONS —

1. Do not enter an item made from a kit such as segmented dinosaurs, pinewood derby cars, or models of big trucks. The reason to enter the competition is to show how well you worked the wood, not how you assembled a pre-cut object.
2. For hand carving, the use of a power band saw to rough out the object does not disqualify the entry. The category is still called hand carving so all the finish strokes must be made by hand carving with a blade.
3. Do not enter two nearly identical objects in two different categories. Non-conformity to the category will result in disqualification.
4. Computer cut entries will not be judged because they do not exhibit woodworking skills.

There are four Major Divisions based on the woodworking discipline practiced by entrants. Place your entry into the Category that exemplifies the primary skill you wish to be judged on. The examples of objects listed following the Category names are not intended to be the deciding factor but rather the skill you are exhibiting as a worker of wood.

ESSAY COMPETITION
DEPARTMENT “FF1”

Total Premiums Offered—\$740

JUDGES: News and Observer's Newspapers in Education and NCDA&CS

Write an essay on the N.C. State Fair using the topic listed under the appropriate class:

***Please note: 6th thru 12th grades must cite sources and give credit for all data and information as needed.**

Essay questions for the 2016 N.C. State Fair – The theme of this year’s questions focuses on farms being the source of all food. The Field of Dreams exhibit will feature themed gardens showcasing the plants and commodities that make up some of your favorite meals. (Hint: Think tacos, pizza, sub sandwiches and Thanksgiving!) Many people are several generations removed from the farm, so they did not grow up raising their own food. The Field of Dreams exhibit will help people make the connection.

CLASS 101

Lot No.

FF00001: **Kindergarten through 2nd grade** (Explain in 40 words or less.)

Pick your favorite: tacos, pizza or subs and draw a picture of that food along with what North Carolina crops could be part of that meal. Add a short description of what you put on your pizza, taco or sub.

FF00002: **3rd through 5th grade** (Essay-150 words or less)

Farmers in the western part of the state grow many different types of apples, including red, golden and green ones. They can be enjoyed in a variety of ways. Write about three different apple products that you can enjoy as part of a healthy meal or snack.

FF00003: **6th through 8th grade** (Essay-500 words or less) * Must cite sources. See note above.

North Carolina farmers grow corn and wheat, essential ingredients in many foods we eat every day. Using tacos, pizza and subs as examples, explain the products that wheat and corn are used in, and explain how those products are made.

FF00004: **9th through 12th grade** (Essay 500-650 words) * Must cite sources. See note above.

Today, less than 2 percent of the world’s population is involved in growing the food everyone enjoys. World demand for food is expected to increase 70 to 100 percent by 2050. Farmers will need to increase production globally to meet that demand. Explain some of the challenges facing farmers and some of the areas where we will need to focus attention to meet these projected increases.
