CASEY'S FAIR FUN GUIDE

Casey Cardinal's back to send you on an awesome State Fair adventure. With so much to see and do, Casey knows where all the can't-miss fun can be found and all the special tips to make the most of your trip to the N.C. State Fair!

- As you enjoy the Midway, make sure you look up! Our all new **State Fair Flyer** will give a glimpse of how I see the Fair. I'll meet you in the beautiful blue sky!
- **Field of Dreams** has gotten an interactive renovation! Now, you can not only see North Carolina's finest homegrown foods, but you can also traipse through the Gobble Garden, Taco Town, Subs and Spuds and Pizza Patch to see first-hand the connection between the farm and the food that makes up your favorite meal!
- My fine feathered fowl friends are back! Make sure you head over and visit them at the **Poultry Tent** near Gate 2.
- Ready to take home a souvenir of your visit to the Fair? Check out "**The Nest**" in the **Expo Center Lobby** to get your official State Fair merchandise.
- Kids, grab a friend and head over to the **Education Building**. We've got brand-new on-the-spot competitions in team cake decorating and sugar cube building. Check out the schedule for the times so you don't miss out!
- We've moved some things around this year. To find your favorite Hobbies & Crafts exhibits, look in the Commercial & Education buildings. They have moved to make way for a 5,600-square-foot tented vendor area called **The MarketPlace**. All sorts of products will be offered just outside the Grandstand, across from the Rabbit Barn.
- Don't miss the chance to take flight with me...well, almost. I'll be at the **Big Slide** in **Kiddieland** every day to swoop down the slide with the kids! Check your schedule listing for the times and meet me there.
- Do you follow me on **Snapchat**? You should. It's a for-sure way to keep up with the excitement and get sneak peeks behind the scenes! Snap me at **CaseyCardinal1**.
