

Instructions for Completing Application

Applications are for consideration of space only, and do not guarantee you a location in the festival. Space is in great demand with very low turnover. Less than 5% of all applications are accepted. If chosen to be part of the Got to Be NC Festival, you will be notified by telephone. We are looking for products that we do not have at the fair; something different, unique and attractively presented. No further communication will be exchanged with you until or unless a contract opportunity presents itself.

Due to the volume of applications we received for vendor space, we ask for all applications and color photos of your booth set-up to be mailed.

Rates given are subject to change without notice.

If you are applying for more than one booth space, you must submit separate applications for each.

The list of products you are requesting to sell/display/promote/give-a-ways/drawing and sampling, must be specific. Do not indicate etc or accessories.

Got to Be NC Festival reserves the right to select the items a company is allowed to sell. Only approved items will be listed on your contract. No menu/product changes after April 15th.

Any brochures, handouts, or catalogs that will best describe your product should be included with your application and must be pre-approved for distribution during the festival.

Color Photo(s) of your booth set-up is required. Photo(s)/Samples of your product will not be returned.

Incomplete applications and applications received after deadline of April 1st will not be considered or returned.

List three business/fair or festival references.

All approved Food Concessionaires must provide a certificate of Product Liability Insurance and all other Exhibitors must provide General Liability Insurance; listing North Carolina State Fair as additional insured in the amount of \$1,000,000.00 due by April 15th. If you need a golf cart that coverage need to be listed on your insurance policy.
